NPIC/TSG/RED-59-71

MEMORANDUM FOR: Distribution List

SUBJECT   : Submission of the FY-72 R&D Planning Conference Report
                   and Preliminary Project List

25X1

    1. The FY-72 R&D Planning Conference was held at the [   ] **25X1**
[   ] on 24-26 February 1971. The attached report contains some intro-
ductory information, a description of the Requirements Input Session and
the Preliminary FY-72 R&D Project List which was compiled as a result of
the R&D Planning Conference.

    2. This report is being distributed to appropriate NPIC components
for their information and comments. The Preliminary FY-72 R&D Project
List is intended to cover all R&D projects for which there are identi-
fiable requirements at this time. The project descriptions contained in
this list are necessarily brief. Their purpose is to identify the most
significant aspects of each project. With this and the preliminary
nature of the list in mind, it is requested that it be reviewed for ade-
quacy and pertinence. In addition, it is requested that a tabulation
of the projects which are of direct or indirect interest to your component
be made.

    3. Recipients of this memorandum with the attached report are
requested to forward their written comments concerning the R&D projects
listed therein to C/TSG/RED, Attn: [   ] no later than 28 May 1971. **25X1**
Similarly any questions concerning the report should be addressed to
[   ]

25X1

    4. Upon receipt of this information TSG/RED will further refine
and coordinate the R&D Project List. On this basis complete project
descriptions will be made and the FY-72 R&D Catalog compiled. This
will be distributed about 1 July 1971 for advanced and continuing
information concerning the details of the NPIC FY-72 R&D Program.
